**MEMORANDUM OF UNDERSTANDING**

**Industry – Institute Partnership**  
 Between  
**Tatyasaheb Kore College of Pharmacy, Warananagar (Partner 1/ Institute)**  
 and  
**Bharat Serums and Vaccines Pvt. Ltd., Mumbai (Partner 2/ Industry)**

This Memorandum of Understanding (MoU) sets for the terms and understanding between the Tatyasaheb Kore College of Pharmacy (*hereinafter called TKCP*), Warananagar (Partner 1) and the Bharat Serums and Vaccines Pvt. Ltd. (*hereinafter called BSV*), Mumbai (Partner 2) to facilitate Training & Placements of the Pharmacy Students.

**Background:**

**Partner 1/ Institute:**  
 Tatyasaheb Kore College of Pharmacy is the leading Institution in Western Maharashtra, with a view to create competent pharma professionals. The college is involved in quality education with research activities and aims to develop pharma students with elementary and applied knowledge, skills and attitude. The Institute is approved by PCI, AICTE, DTE and affiliated to Shivaji University, Kolhapur. The College runs courses from Diploma to Ph.D in Pharmacy. The college has earned a repute of being the fastest growing pharmacy college of the region. It imparts distinguished professional education and life skills with mission 'to excel in professional pharmacy education through student centered learning, scholarly research and service to the society.' The college has signed an MOU with leading organizations like Piramal Healthcare, Indian Pharmaceutical Association, VerGo Pharma, IQGEN-X Pharma, OmSai CRO etc. TKCP was ranked in the list of 'Rank Band 51 to 73' by National Institutional Ranking Framework Pharmacy ranking in 2017.

**Partner 2/ Industry:**  
 BSV, founded in year 1971 is one of the fastest growing biopharmaceutical company in India which researches, develops, manufactures, and markets injectable biological, pharmaceutical, and biotechnology products. Its products portfolio includes plasma derivatives, monoclonals, fertility hormones, antifungals, anesthetics, cardiovascular drugs, and equine immunoglobulins/antitoxins. The company also engages in the research and development of drug delivery systems, biotechnology/recombinant therapeutics, and biological/equine products; development of recombinant molecules, such as cell lines and lab scale processes for biosimilar products; and research, development, and manufacture of therapeutic proteins. In addition, it offers products in the areas of gynecology, assisted reproductive technology, critical care, emergency medicine, neurology, nephrology, hematology, and urology. BSV is headquartered in Thane, India with liaison offices in the Russian Federation, the Philippines, Vietnam, Nigeria, and Ukraine. It has manufacturing facilities in Ambernath and Ahmedabad, India, as well as in Aachen, Germany; and research and development facilities in India, Germany, and the United States.

WARANANAGAR  
(KOLHAPUR)

**Criteria 3: Research, Innovations and Extension**  
**Key Indicator 3.5: Collaboration**

The participants have reached the following understanding:

**SECTION 1: Objective**

To develop, continue, expand and maximize cooperation in Product analysis and Research & Development between the participants. Collaboration under this MOU will not preclude other bilateral or multilateral cooperation activities in Research & Development in which each Participant may take part.

**SECTION 2: Scope**

1. Collaboration under this MOU may include, but is not limited to, the following fields:
  - a. Herbal product analysis
  - b. Standardization of the pharmaceutical raw materials and/or products
  - c. Analytical method development
  - d. Animal toxicological studies of Product/Herbal powder/Raw material/Intermediate bulk in Albino Rats
  - e. Analytical support in some cases as the need arises.
2. Other collaborative fields may be added by written arrangement of the participants.

**SECTION 3: Forms of Collaborative Activities**

1. Collaboration in accordance with this MOU may include, but is not limited to, the following forms:
  - a. Exchange of all forms of unclassified scientific and technical information and results of research and development for the projects mutually agreed to do;
  - b. Exchange of scientists, other specialists, including those from industry, for participation in research, development, analysis, design and experimental activities conducted in research centres, laboratories and other facilities and enterprises of each participant;
  - c. Exchange of samples, materials, instruments and components for testing for the projects mutually agreed to do;
  - d. Exchange of library facilities for reference material;
  - e. Organization of seminars, workshops and other meetings on specific topics;
  - f. Visits by specialist teams or individuals to the facilities of the other participant;
  - g. The use by one participant of the facility (ies) owned or operated by the other Participant. Such use of facilities will be the subject of a separate written arrangement and may be subject to commercial terms or conditions;
  - h. Cooperative programs and projects in which Participants decide to share the work and costs. Such joint projects will be the subject of a separate written arrangement of the participants.
  - i. In case of project, on any of the product, Tatyasaheb Kore College of Pharmacy (TKCP) would submit one hard bound copy to M/S. S.G. Phyto Pharma Private Limited (SGPPPL) for the documentation.

**Criteria 3: Research, Innovations and Extension**  
**Key Indicator 3.5: Collaboration**

3. Where one Participant requests that a sample or material be provided by the other Participant, the Participant providing the sample or material will bear all costs and expenses associated with the transportation of the sample or material from location of the sending.
4. Subject to the provisions of Section 5, each Participant will promptly disclose to the other Participant all information arising before and after the examination or testing of samples or materials exchanged under this MOU.

**SECTION 9: General Provisions**

1. Cooperation under this MOU will be in accordance with the professional ethics and mutual understanding.
2. All questions related to the MOU arising during its term will be settled by the Participants through consultations with each other.

**SECTION 10: Documentation**

When Participant (Contract provider) requests the work to the Participant (Contract acceptor) a written communication is to be given for the work. The Participant (Contract acceptor) will provide the status and or report on the work in writing when requested by the participant (Contract provider).

**SECTION 11: Entry into operation, Amendment and Termination**

1. This MOU will enter into operation upon the last date of signature and remain in operation for a period which will be mutually agreed. This MOU may be amended or extended by written arrangement of the participants.
2. This MOU may be terminated at any time by either Participant upon six (6) months written notice to the other Participant. All joint efforts and experiments not completed at the expiration of the MOU may be continued until their completion under the terms of this MOU.
