Approved by	Mr. Ravindra Patil, HOD
Participating students	65 Students.

The industrial visit to **Seema Biotech Pvt Ltd, Tissue Culture Laboratory, Wathar** was organized by **Tatyasaheb Kore College of Pharmacy (Diploma), Warananagar** on 30/11/2024. Altogether there were 65 students of First Year D. Pharm and Second year D Pharm who actively participated in the visit which was successfully coordinated by Mrs. Nupur Kulkarni. We started our journey at 09.30 am from Warananagar and reached our destination at 10:00 am. A brief introduction about botanical garden was given by Vikas sir. During visit we were shown plants of different species with their origin and morphological details. They also showed us green house plants with their growing ages. Seema Biotech private Ltd. is a agro based company, founded by a farmer & for the farmers, working in field of agriculture, Horticulture & Floriculture since 2002. We are known & highly admired for the production & supply of excellent quality range of the tissue culture plants of Banana, Teak, Bamboo, Floricultural & Ornamental plants.

About:-

Seema Biotech Private Ltd. has founded by Mr. Vishwas Balasaheb Chavan- patil, a agriculture post graduate. He has a strong agricultural background. They have made 'highly sophisticated infrastructure base & strict quality control measures are taken since selection of an elite mother source up to shipping our quality product at the destination of our customers, by which the customer receives the best quality material & experience lowest mortality in the field. They are committed to time tested excellence. We have qualified; experienced team & detected R & D unit, which all ensure our customers about our quality of products & services.

Interaction with students:-

It was a good experience, which has provided exposure to the first year students with practical exposure. The students are benefited in terms of the technical details provided by the company & Various Career Opportunities in Pharma industries under plant section. The company persons also appreciated our students after the question answer sessions. Visit seems to be very informative and gives good learning experience.
